

More Information on Catered Parties at AMT

There is space available on our balcony and landings in the lobby for private parties. While we cannot accommodate a formal, sit-down dinner, heavy hors d'ourves, sandwiches and desserts are options. For example, you could have breakfast or brunch before a 10:30am show, a light lunch with dessert before a 3:00pm show, or hors d'ourves with dessert before a 7:30pm show.

Maximum number we are able to accommodate for a catered event is 200.

You will need to work with the caterer to decide upon food and beverage options. Also, the caterer will need to provide and set up any tables/linens you may need.
